**THIRTEENTH AUSTRALIAN COAL PREPARATION  
CONFERENCE**

**COAL PREPARATION 2010  
“ADVANCING COAL PREPARATION TECHNOLOGIES  
FOR OUR FUTURE”**

**CAIRNS CONVENTION CENTRE, CAIRNS, QUEENSLAND  
12<sup>th</sup> – 17<sup>th</sup> SEPTEMBER 2010**

**“CALL FOR PAPERS”**

The Conference Technical Sub-Committee invites authors to submit 300 word abstracts on any aspect of coal preparation and utilisation to:

Attention: The Editor  
[Confedit2010@acps.com.au](mailto:Confedit2010@acps.com.au)

The number of papers will be limited and selected on merit and for the balance of the program. Papers will only be accepted on the basis that at least one author will be attending the conference to present the paper. Abstracts must be received by 15<sup>th</sup> August 2009.

In particular papers are called for in the areas of:

**New Plants  
Plant Upgrades  
Monitoring and Improving Plant Efficiency  
Metallurgical Accounting as applied to Coal Preparation Plants  
Plant Maintenance  
Operational Improvements to Plants  
Dewatering / Drying / Briquetting  
International Themes  
Coarse Coal Processing  
Small Coal Processing  
Fine Coal Processing  
Dry Processing  
Tailings Handling and Retreatment  
New Technologies**

Papers from operating plants discussing plant issues are especially encouraged. Prospective authors and presenters are advised that the Society has decided to allow the presenter of each paper a 50% discount on the Conference registration fees.

For more information please go to [www.acps.com.au](http://www.acps.com.au) "News" then "Forthcoming Conferences and Exhibitions" and select "Call for Papers".
