

Register for SACPS' 2021 conference

Coal processing and our role in the drive for cleaner coal

SOUTHERN AFRICAN
COAL PROCESSING SOCIETY

Venue: *Graceland Hotel Casino and Country Club
Secunda and online*

Date: *12, 13 and 14 October 2021*

Cocktail evening: *Monday 11 October 2021*

Join local and international experts and speakers who will share their knowledge and vast experience of the topic as well as the industry during the two and a half day conference. The conference offers excellent networking opportunities and loads of valuable information.

Programme of Topics:

- * New plants and projects.
- * Dense medium processing.
- * Upfront crushing techniques and technology.
- * Fine and ultra-fine coal processing and dewatering.
- * Dry processing.
- * Tailings disposal and water management.
- * Coal processing research.

The conference is registered with the Engineering Council of South Africa (ECSA), and is awarded CPD Points.

Enquiries, registration and sponsorship contact Gerda Craddock +27 (0) 79 872 6403.

Registration forms can also be found on the SACPS website: www.sacoalprep.co.za
